

GENAI GUIDANCE FOR STUDENTS

GENAI USE WITH HUMAN OVERSIGHT

GenAI can be used throughout an assignment as a co-creative partner, but human evaluation and validation of GenAI content are mandatory.

IDEA GENERATION

GenAI for brainstorming, creating structures, and refining ideas. However, no AI-generated content is allowed in the final submission.

MODIFY EXISTING CONTENT

GenAI may enhance clarity or quality but cannot generate new content.

NO GENAI USE

Tasks must be completed entirely by you without any GenAI assistance.
WHY: So you can show your individual knowledge and skills.
